

Helping you cope with the present and plan for the future

It's tough dealing with new challenges—finding child or elder care, bankruptcy, substance abuse—especially on your own. The stress alone can affect your work, health and family.

In times like these it's helpful to have someone in your corner to listen, offer advice and point you in the right direction for additional help. That's what you get from DisabilityGuidance®—an Employee Assistance Program that offers support when you need it most.

Planning for the Future

A will is one of the most important legal documents you can have. It ensures that you’ll control who gets your property, who will be your children’s guardian, and who manages your estate when you die.

EstateGuidance® makes it easy to create a simple, customized, legally binding will by offering:

- Convenient online access to will documentation tools
- Simple-to-follow instructions guiding you through the will-generation process
- Online support from licensed attorneys, if needed
- The ability to make revisions at no cost

A simple will costs just \$14.99; printing and mailing services are available for an additional fee. Prices may be subject to change—contact ComPsych for additional information.
