Determining Your Vocational Goal

- Once found eligible for services, your counselor will work with you to develop your vocational goal and plan.
- If you have some job goals in mind, your counselor will help you explore their feasibility.
- If you do not have clear career/employment direction, your counselor may recommend that you participate in some type of vocational/career assessment.

Types of Services provided:

A variety of services can be provided to assist eligible participants to prepare for, obtain, and/or to retain jobs. These types of services may include but not limited to:

- Assessments, Evaluations, and diagnostic services.
- Vocational and Technical services and devices.
- Job placement and retention services
- Post employment services
- Transitional Services

The services listed are based on each individual's needs and circumstances and are in accordance with an Individual Plan for employment (I.P.E.) that is developed with the client and his/her TVR Counselor.

What is a Disability: A "disability" can be physical, mental, learning, or emotional condition that constitutes or results in a substantial impediment to employment. The following are examples of some "disabilities":

- Mental Health Diagnosis
- Hearing/Vision Loss
- Diabetes, Asthma, Arthritis
- Cancer
- Chemical Dependency
- Learning Disability

If I am Eligible, The next step is:

You meet with your assigned Vocational Rehabilitation Counselor to complete the intake process. Your counselor will work with you to develop a vocational, or educational goal. During the intake interview sufficient information is gathered, and all services provided by Colville Tribal VR Program will be focused on helping you reach the vocational goal developed in your Individual Plan for Employment. Counseling and guidance services are provided. This Plan will document the steps that are necessary for you to attain your employment goal.

The Colville Tribal Voc. Rehab. Program provide culturally appropriate Vocational rehabilitation services to federally recognized tribal members with disabilities. Individuals who have a functional limitation and need assistance obtaining, maintaining, or regaining employment. Services are custom designed to fit each individual's needs.

WHO IS ELIGIBLE:

- Do you reside on or near the boundaries of the Colville Indian reservation?
 - Are you an enrolled member of a federally recognized tribe?
 - Do you have a physical or mental impairment that results in a substantial impediment to employment.
 - Are you willing to work on a plan that will help you find suitable employment.
- If you want to go to work and your answer is yes to the following statements, you may be eligible.

OUR MISSION:
